CANNABIS CRYPTO-FARM**

# CANNABIS IN THAILAND: FACTS & FIGURES

In the past year, Thailand welcomed over **35 million** tourists, with approximately **5 million** familiar with or actively using cryptocurrency. More than **1 million** people purchased cannabis products from Thai coffeeshops.

There are currently around 7,000 cannabis coffeeshops in Thailand, with the average retail price of 1 gram at ~\$16.

Based on these statistics, Thailand can confidently be called one of the global cannabis capitals.

# CANNABIS & THE LAW

The need for stricter regulation of Thailand's cannabis market led to **major legislative changes** in 2025.

Cannabis remains legal in the country, but **production and sales have become more complex**, and the product has become more expensive.

# OUR SOLUTION: THE NFT PASS TO THE WORLD OF THAI CANNABIS

Imagine a golden ticket that gives you **150 grams of premium cannabis** from one of Thailand's top growers — with legal delivery included.

**Sounds unreal?** It's real. This is what you get as a holder of a cannabis NFT from **Green Grow Paradise (GGP)**.

# NFTS GRANT THE RIGHT TO A SHARE OF THE CANNABIS HARVEST FROM OUR FARM IN THE JUNGLES OF THAILAND

A total of **3,000 NFTs**, each providing **30 grams** of flowers over a **2-year period**, with a **5-month interval** between harvests. Here's what's included:

- Free delivery across Thailand 🇹🇭
- Your choice of strains from available stock (minimum 5g per strain – build your own mix!)
- Accumulate your harvest grams and request delivery whenever convenient
- Can't collect your harvest? We'll sell it for you and pay out the market value
- You can sell / transfer / gift your NFT anytime — all benefits transfer to the new holder
- NFT = access to real-time farm monitoring + an exclusive grower and crypto-community
- And yes — this is a collectible NFT from the Kingdom of Thailand
